Bountiful, UT 84010

Dear Mr. Bown:

On November 15, 1979, the State Land Board was informed of your violation of the terms of ML 36970, Building Stone, and of the existing surface disturbance caused by your operations upon lands included in that lease. In addition to cancelling ML 36970 for your breach of the lease terms, the Land Board directed that you be required to mitigate your disturbance of these lands, (ie. Section 13: Lots 2,3, T16S, R3E, SLM, Sanpete county).

You are required to 1) gather up and remove all stone which you ripped out of the land surface; 2) redistribute soils and dirt to approximate the natural contour of the land surface and facilitate drainage. From the date of this letter you have 30 days in which to comply pending further action by the Land Board.

Sincerely yours,

John T. Blake
